An executive five-bedroom family home, located on a quiet one way road and purchased by the current owners from the original builders before its completion in 2002.

The entire ground floor has been completely refurbished, offering a spacious lounge/diner at the rear with two sets of patio doors opening onto a beautifully landscaped garden featuring both a grassy area and a decked space, along with a gated side entrance. A study provides a quiet workspace, while the modern kitchen has been fully upgraded with a breakfast bar and brand-new built-in appliances, including a fridge/freezer, washing machine, oven, hob, and dishwasher. New flooring, skirting, and architraves throughout complete the contemporary look, and the convenience of a ground floor cloakroom adds to the appeal.

On the first floor, a generous landing leads to four well-sized bedrooms and a family bathroom. The second floor is dedicated to the master suite, which includes an en-suite shower room, a walk-in wardrobe, eaves storage, and four large windows with a Juliet balcony that offers stunning views of the forest.

At the front of the property, there is ample parking space for up to three vehicles.

The house enjoys a prime location right on the edge of Epping Forest, offering access to 6,000 acres of serene and picturesque woodland, preserved in perpetuity by the City of London Corporation. This ensures the land remains untouched by development, enhancing the property's enduring exclusivity.
