Summary

Ground Floor – Space Designed for Living

Step into a welcoming entrance hall that immediately sets the tone for the generous proportions throughout. The ground floor offers exceptional versatility with:

A flexible study/play room

Separate family room

Impressive dining kitchen to the rear

Utility room and downstairs WC

The stylish high-shine tiled kitchen is fitted with an extensive range of modern cream wall and base units, complemented by timber-effect work surfaces. Integrated appliances include a gas hob with extractor over, high-level double oven, dishwasher, and sink with drainer. There is ample space for an American-style fridge freezer.

Both the kitchen and utility provide direct access to the rear garden — ideal for entertaining and everyday convenience.

First Floor – Light Filled Living

The standout feature of this floor is the superb dual aspect living room, spanning the full depth of the property and flooded with natural light from large windows to both elevations.

Also on this level is a generous double bedroom (perfect for an older child or guests) and a separate WC.

Second Floor – Private Family Accommodation

The top floor hosts three further double bedrooms, two benefiting from extensive fitted wardrobes.

The spacious main bedroom enjoys a stylish en-suite shower room, while the remaining bedrooms are served by a well-appointed family bathroom featuring a panelled bath with shower over, glass screen, wash basin with mirrored storage, and WC.

Outside

Despite its modern build, the home features attractive reclaimed-style brickwork. The frontage is neatly presented behind low-level brick walling with a pathway to the entrance door.

A tarmac driveway provides off-road parking and leads to a brick-built garage.

The rear garden is beautifully landscaped and designed for low maintenance, with an immaculate patio seating area, slabbed pathways, and two sections of artificial lawn — creating a private and practical space for relaxing and entertaining.
