

10 Kiln Drive

Curridge, Thatcham, Berkshire, RG18 9EG

10 Kiln Drive

Curridge, Thatcham, Berkshire, RG18 9EG

Guide £795,000

A fabulous detached house that has been superbly reconfigured and improved to create a very comfortable home within the favoured village of Curridge.

Description

The accommodation includes generous hall space from which the stairs lead, a downstairs cloakroom and study. The sitting room has a fireplace with a wood burning stove, doors to the garden and to the conservatory. The open plan kitchen and dining area is a particular feature, tastefully fitted to include an island unit, integrated appliances and ample space for a table, making it ideal for entertaining and family life. There is also a useful utility room with a door to the garden, so very practical for muddy boots, the dogs etc. The garage has been converted internally to create a media room, with sound proofing, so could be a good space for teenagers too! On the first floor there are four bedrooms, two of which have built in storage. The main bedroom has an ensuite shower room and the full family bathroom includes a corner bath and separate shower enclosure. Outside there is a wide frontage providing off road parking for several vehicles, an important feature these days. The mature rear garden is laid to lawn with extremely well stocked borders, seating areas and a very pleasant backdrop. A viewing is strongly advised to fully appreciate the overall qualities of this lovely property.

Curridge

Curridge is a really enjoyable place to live with lots of walks, byways and bridleways to explore,

followed by a visit to The Bunk pub perhaps, for a quiet drink, supper or a chat with the locals. There is a garage and shop nearby for the basics, together with the Hilliers Garden Centre for a wander, a coffee and cake. Curridge has a well respected primary school within walking distance and is in the favoured Downs School catchment area. There is good access to J13 of the M4 and the A34 too. The town of Newbury offers a wide range of facilities and a rail link to London (Paddington).
