With side and front access, the property offers both generous and versatile accommodation, making it an ideal purchase for large families, developers or buyers seeking a property with excellent potential for reconfiguration (STPP). The ground floor comprises multiple reception rooms, a spacious kitchen/dining room, utility room and study, while the upper floors provide seven well-proportioned bedrooms and two bathrooms.

Further benefits include off street parking, generous living accommodation throughout and excellent scope to modernise or extend further, subject to the necessary planning consents. Ideally located within the catchment area for a number of highly regarded schools, including Akiva Primary School, and conveniently positioned close to local shops, transport links and amenities. To really appreciate the size, flexibility and potential, an internal viewing is highly recommended via vendors sole agents Adam Hayes Estate Agents.
