The Area

Catalkoy is located 10 minutes outside of Kyrenia town centre, close to the villages of Bellapais and Ozankoy and is known for its affluent residents. The village has a quaint, old-world feel and epitomises the 'Mediterranean village' with its town square and whitewashed buildings. It's a popular place for tourists and locals alike, as it brings the qualities of a holiday resort into a village atmosphere, Catalkoy is close enough to Kyrenia town centre so that you'll never be far from the action, and yet not too close that you'll never have a peaceful moment. Catalkoy also plays host to some of the best hotels on the island, the Acapulco beach and resort, The Dedeman Olive Tree and, perhaps most notably the five-star Malpas hotel.
