Surf Wood Cottage

Perfectly-positioned just footsteps from the glorious sandy beach at Westward Ho! and within walking distance of the village, Surf Wood Cottage is an attractive 3/4 bedroom detached home by the sea. Hidden behind a gated entrance and immaculately presented throughout, the property offers well-planned and adaptable accommodation along with ample off-road parking and manageable gardens at the front and rear. With direct access onto Northam Burrows Country Park at the end of the road, this exclusive residence is perfect for those seeking an individual home in the village to relocate, downsize or enjoy as a holiday retreat on the North Devon coast.

Positioned within this much sought-after location just metres from Northam Burrows Country Park (a UNESCO world heritage site), with direct access at the bottom of Eastbourne Terrace and just a short stroll to the beach, the property offers easy access to everything the village has to offer. Westward Ho!, named after the famous novel by Charles Kingsley, stands as a unique seaside village on the North Devon coast. Renowned for its expansive sandy beach stretching for over two miles and backed by the pebble ridge, it is regularly awarded "blue flag" status and is a haven for families, surfers and holiday makers alike. The village offers local shops and convenience stores along with a number of café's, pubs and restaurants and The Royal North Devon Golf Course nearby. With stunning coastal walks, panoramic views, and a vibrant atmosphere, Westward Ho! is one of North Devon's choice coastal locations along with the nearby villages of Appledore, offering a rich maritime history, and Instow, a popular tourist hotspot.

The port town of Bideford provides a wider range of facilities including a number of locally owned and operated shops and bistros, banks, a post office, secondary schooling and supermarket shopping. From here, the A39 provides a convenient route to Barnstaple, with High Street shopping and the Tarka rail line to Exeter in the South.

The A39 links up with the A361 to Tiverton, where there is a direct rail connection to London Paddington.

To the West of Bideford, and further along the A39 is Bude, the gateway to the North Cornwall coast.
