A rare opportunity to purchase a fully serviced plot in the heart of St John’s Chapel, offering exceptional flexibility for those looking to create their ideal home in this beautiful Upper Weardale setting. The plot benefits from full planning permission for a spacious five bedroom dwelling, along with Building Regulation approval and foundations already in place, providing a significant head start for prospective purchasers.

The local planning authority has also provided positive pre application feedback supporting a revised design for either a bungalow or dormer bungalow of similar character (subject to planning approval). Both options could comfortably accommodate three bedrooms, garage, ample off road parking, and a generous south facing rear garden.

The plot also benefits from Building Regulation approval, and foundations have already been installed for the approved five bedroom dwelling. These foundations are also suitable for both the bungalow and dormer bungalow options, subject to planning approval.

With all main services brought to the plot boundary, this is an ideal choice for buyers seeking a straightforward route to building a bespoke home in a peaceful rural village, surrounded by open countryside and within easy reach of local amenities. Offered at £125,000
