THE PROPERTY

Marabe comprises a three bedroom semi-detached house which has been in the same family ownership for nearly 60 years, built with rendered elevations under a slate roof. Although it enjoys an oil fired central heating system and partial double glazing some general improvement and updating may now be appropriate. There are two principal reception rooms, one of which enjoys an inglenook-style fireplace alongside a UPVC double glazed conservatory with the further potential of enlargement subject to any necessary consents. On the first floor are three double bedrooms, all of which enjoy rural views over open countryside.

A particular feature is the site and situ occupying a level site providing ample parking and various outbuildings all of which adjoin countryside.

SITUATION

The property is nestled in a delightful semi-rural setting with views over the surrounding countryside, close to the Devon/Dorset border on the southern outskirts of this popular village. Hawkchurch has an active community with many societies, primary school, village inn, holiday resort and spa, 12th century church and recently expanded community shop.

The Jurassic Coast World Heritage site and famed resort of Lyme Regis are about 6 miles away. This popular resort with its famous Cobb and sandy beach, provides a range of independent shops and restaurants.

The market town of Axminster (4 miles) offers all the facilities one would expect from a small market town including supermarkets, doctor's surgery and recreational facilities including a sports centre and swimming pool. A main line station providing access to London Waterloo and the home of River Cottage HQ situated in the nearby Trinity Hill area. Despite its tranquil setting this property is well placed with excellent transport connections both east and west with the A30/A303 and the A35 coast roads. The Cathedral city of Exeter is easily accessible with its excellent shopping facilities, theatres, national league sports clubs, international airport and access to the M5.
