DESCRIPTION

2 Mount Pleasant is a Cotswold stone grade II listed property dating back to the early 19th century. Originally part of a substantial farmhouse later divided into two family homes. Many of the original features have been retained, such as flagstone floors, fireplaces, beams and sash windows. This traditional Cotswold home offers good, proportioned rooms filled with light, tall ceilings and period character.

On the ground floor, there is a well-appointed kitchen and a utility room with a cloakroom area, leading into a charming dining room with a log burner and built-in cupboards, overlooking the front lawn. The sitting room, accessed from the hallway, features a wood burner, fitted cupboard, and a view over the front garden. The back section of the sitting room is subtly separated from the front area, creating an ideal space for reading or quiet retreat.

Upstairs, the first floor comprises the principal bedroom with an adjoining bath/shower room, two further bedrooms, and a family bathroom, one of the bedrooms is currently used as a study. On the second floor, there are two additional double bedrooms and a cloakroom.

OUTSIDE

The property is accessed from Union Street via a pedestrian gate leading from the paved parking area. The rear garden is enclosed by a Cotswold stone wall, with well-stocked borders. The front garden is also enclosed and benefits from a pedestrian gate opening onto Oddington Road, providing easy access to the town. There is a wonderful south-facing garden with a terrace and lawned areas. Additionally, the property includes a double garage with storage space above.
