A rare and unique opportunity to acquire a detached two-bedroom character cottage together with a beautifully converted two-bedroom annex, set within generous gardens and offering excellent flexibility for multi-generational living.

The main cottage blends character and charm, with a particularly attractive living room featuring a fireplace with log burner and stairs rising to the first floor. The ground floor also includes a useful entrance hall/utility-style space, dining area, kitchen and bathroom. To the first floor are two bedrooms.

Separate from the main cottage, the former cattery has been tastefully converted by the current owners to create a comfortable and contemporary two-bedroom annex. This comprises an open-plan kitchen/living/dining space, two bedrooms and a shower room, making it a highly versatile addition to the overall accommodation.

The kitchen boasts integrated appliances and the overall presentation and finish throughout the property have been completed to a very good standard in our opinion.

Externally, the property sits within generous gardens, predominantly laid to lawn and positioned mainly to the front, creating a lovely sense of space and privacy. There is also driveway parking.

This is a genuinely individual offering, likely to appeal to those seeking flexible living arrangements, accommodation for family or guests, or simply a character home with useful additional space. Viewing comes highly recommended to fully appreciate the setting, accommodation and versatility on offer.
