Mill Mead is a stylish and individual house which stands in delightful gardens with glorious views over open countryside.

On the ground floor, bi-fold doors from the living room seamlessly link the landscaped grounds with the house. The recently fitted kitchen has high quality appliances which include a Smeg range cooker, wine fridge and boiling hot water tap; a wood burning stove with space for a sofa in front divides the kitchen from the dining area. There are two double bedrooms on the ground floor, a bathroom, shower room and door from the utility room leads into the garage.

Stairs from the generous limestone tiled hallway lead up to the first floor where there are three bedrooms, a shower room and en-suite bathroom. The main bedroom has French doors to a large decked balcony with unspoilt views over the garden to woodland beyond.

Immediately outside the house is an expansive level lawn with summerhouse and beyond a fenced paddock with large agricultural barn.

The property is accessed through two large timber electric gates between stone pillars with a pedestrian access side gate. The newly tarmacked driveway provides parking for several cars.

Mill Mead is a perfect family home and offers a wonderful lifestyle opportunity, in a much sought after location, close to the sea but not remote.
