## SITUATION

Hawes 7 miles. Sedbergh 10 miles. Kirkby Stephen 12 miles. Kendal 20 miles. Leyburn 23 miles.

Garsdale Head is a small rural hamlet in the dale of Garsdale which is located within both the Yorkshire Dales National Park and Cumbria.

The property is located opposite the Garsdale Head Railway Station which provides excellent links to Leeds and Carlisle. The Settle to Carlisle Railway is currently celebrating its 150-year anniversary. The nearby market town of Hawes offers a range of amenities, facilities and shops including the famous Wensleydale Creamery.

The property is therefore well placed in an accessible yet picturesque rural location.

## DESCRIPTION

5 Railway Cottages is a spacious end of terrace cottage which was built circa 1875 as accommodation for railway workers. The location allows for excellent views. The property does require some updating but benefits from being fully double glazed and having air source heating.

The property is entered into a useful porch which leads through to the inner hall with staircase up to the first floor. There are two ground floor bedrooms which are each well proportioned and a bathroom with WC, basin and shower cubicle.

To the first floor is the large open plan living space with a kitchenette and an impressive stone fireplace with a multi fuel stove. The kitchen has a range of fitted units, a free-standing oven

with hob, a washing machine and an under-counter fridge. There is also ample space for a dining room and living area from where the views can be enjoyed. The loft offers potential to be converted into a third bedroom, subject to obtaining the necessary consents.

Externally the property is complemented by an enclosed rear yard with raised patio providing ample space for seating and potted plants. There is also a useful garden store and parking for two vehicles to the front on the private road.

Overall, 5 Railway Cottages would make an excellent starter home in an accessible yet rural location or an excellent holiday home or let.
