PROPERTY FEATURES

An imposing Edwardian family home in a quiet and highly sought-after residential street by families in Shepherd's Bush. Despite having lots of living space by already offering just shy of 2,000 sq ft (184.39 sqm) and having an extended kitchen/reception on the ground floor, the property still offers plenty of opportunity to add value through some modernisation and/or a loft extension subject to the relevant consents. This wonderful property is available for the first time in several decades and offers the buyer a chance to put their own stamp on a great house which retains much of its period charm and character and without having to immediately undertake a complete refurbishment.
