CHESTERTONS

A very well presented two-bedroom apartment situated on the fifth floor of a well-maintained period building. Flooded with natural light throughout, the property enjoys elevated far-reaching views across the London skyline to the West, creating a wonderful sense of space and openness.

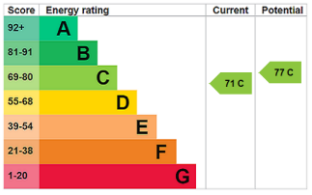

The apartment features a generous reception room with large windows, good ceiling height and ample space for both living and dining. The separate fitted kitchen is well appointed with a range of integrated appliances and excellent storage. There are two bedrooms, with the principal room offering spacious sleeping accommodation, each benefiting from built-in wardrobes, served by a contemporary bathroom finished in neutral tones.

The property has been recently refreshed and offers a bright, modern interior whilst retaining the charm and character expected of a period building. The elevated position provides attractive rooftop views across RBK&C and beyond, making this an ideal London home, pied-à-terre or investment opportunity.

Perfectly positioned on the borders of Knightsbridge, Chelsea and South Kensington, the apartment enjoys access to some of London's most sought-after shopping, dining and cultural destinations. The world-renowned boutiques of Brompton Road, the restaurants and cafés of Chelsea, and the museums of South Kensington are all within easy reach. South Kensington Underground Station is just a short walk away, providing excellent connections via the District, Circle and Piccadilly lines, while the open spaces of Hyde Park and Kensington Gardens are also conveniently nearby. *please not some pictures have been staged by AI.
