Rarely available striking double fronted detached house located moments from Eltham High Street. The house is ready for the next family to update and refurbish but with flexible options and could be perfect for someone with the need to create a separate living space for an elderly family member or grown up son or daughter, much of the property is all ready for this. The accommodation includes on the ground floor 2 receptions, extended kitchen, bedroom 4, shower room with wc and additional wc. On the first floor are 3 bedrooms and study although this could perhaps also be a small bedroom and bathroom with separate wc. The frontage is wide and generous and we think an in and out drive could be created subject to all necessary permissions. Currently the driveway leads to the integral garage which is a good size. Offered to the market chain free.
