### OWNERS COMMENTS

5 Wesley Court has been our own slice of heaven, we have loved retreating to Dartmouth and our friends, and family have loved it too. When we have had those impromptu breaks and just thrown the bags in the car at the last minute and headed down the M4 and M5 it has been lovely to arrive and drive into our own garage and not have the stress and worry of searching for that elusive car park. Being so centrally located has meant, once landed we have only had to stroll to the market or river for our adventures to begin. Some things we will miss, but life has taken us in another direction, and it is someone else's turn to enjoy this sunny apartment.
