Gas Central Heating

9A Middle Street South, Driffield, YO25 6PT

A real gem of a property being literally on the fringe of Driffield Town Centre and also having the benefit of a private parking space and a single garage located to the rear. This property is simply stunning!

The property provides generously proportioned accommodation that includes front facing lounge along with fitted dining kitchen with appliances and extension to the rear, giving an additional sun room.

The master bed room is the full width of the first floor. There is a second bedroom which is a double size plus a house bathroom on the first floor.

The rear of the property is enclosed and provides a sheltered oasis, extremely secluded and having a westerly facing aspect.

In summary, it is very rare to find a property in such a good condition but combining this with an excellent location convenient for access into the town centre and also the parking and garage, this really is a rare opportunity.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
