The current owners have sympathetically and tastefully renovated and extended the cottage which seamlessly blends character features with modern fittings.

Upon entry there is a porch with access to a generous storage cupboard and a boot room. The charming and cosy sitting room overlooks the front garden with a feature fireplace set with a wood burner and exposed brickwork as a focal point to the room. The heart of the home is the very generous kitchen/dining room, with French doors from the dining area leading to the beautifully landscaped rear garden. The kitchen comprises of a range of white wall and base units set with a counter top and a breakfast bar for informal dining. Included is a range of integrated appliances of hob, double oven, dishwasher, and fridge freezer (drawer fridge by separate negotiation). There is a ground floor shower room comprising of a double shower, basin and w.c.. Completing this level is a bedroom / reception room, which has a beautiful decorative fireplace as a focal point and could make an ideal home office.

Rising to the first floor, the master bedroom is a particularly generous and light room with a large window

overlooking the rear garden and a sky light. The second bedroom is a nice size room which could accommodate a double bed and the third bedroom is arranged with a small double. The modern family bathroom comprises of a statement freestanding bath perfectly positioned in line with the window offering views of the garden, a w.c. and basin with a vanity unit underneath laid with a stone worktop and a well thought-out shelving for storage.

OUTSIDE

The property is approached by a private unmade lane with the front garden laid to lawn with a small patio to catch the evening sunshine. The rear garden is a particular feature which extends behind a neighbouring property and has been recently landscaped with a stone patio adjoining the cottage which is ideal for alfresco dining. Predominantly laid to lawn bound by a colourful well stocked border, hedgerows and apple trees. There is a charming brick outbuilding which is used for garden tools.
