No Onward Chain

A truly rare opportunity to acquire a substantial five-bedroom semi-detached period residence, positioned on the highly sought-after Parade in Barry. Offered to the market with no onward chain, this impressive home combines timeless character with generous proportions, extending across three floors and offering approximately 2,048 sq. ft. of internal accommodation.

From the outset, the property makes a striking impression with its attractive bay-fronted façade and mature front garden setting. Internally, the home retains a wealth of original charm, including high ceilings, feature fireplaces, and large bay windows that flood the living spaces with natural light.

The ground floor offers two elegant reception rooms, both beautifully presented and ideal for both formal entertaining and relaxed family living. To the rear, a spacious kitchen/dining room provides the heart of the home, featuring ample worktop space, traditional styling, and direct access to the garden.

The first floor hosts three generously sized double bedrooms alongside a well-appointed family bathroom, while the second floor provides two further double bedrooms and an additional shower room, ideal for growing families or multi-generational living. Notably, all bedrooms are genuine doubles, a rare feature in today's market.

Externally, the property continues to impress with a private rear garden that also offers off-road parking accessed via a roller shutter door, a highly desirable feature in this location.

This is a standout home offering space, character, and practicality in equal measure. Properties of this calibre rarely become available on The Parade.
