## ARCH ROAD WALTON-ON-THAMES, KT12

ASKING PRICE: £585,000

A beautifully refurbished semi-detached family home, offering a high-quality finish throughout, flexible living accommodation and the added benefit of off-street parking. The property has been comprehensively upgraded by the current owners, including new windows (with triple glazing to the front elevation), new shutters, a stylish kitchen and a modern bathroom, creating a home that is ready to move straight into.

The layout is versatile and can be arranged to suit a range of needs. The ground floor currently offers the option of a front reception room or third bedroom, alongside an impressive open-plan kitchen, dining and living space to the rear, ideal for both everyday living and entertaining.

Importantly, planning permission has been granted for both ground and first floor extensions, allowing for the creation of a substantially larger entertaining space, a downstairs WC/shower room, and a more spacious first floor layout providing two generous double bedrooms and a family bathroom.

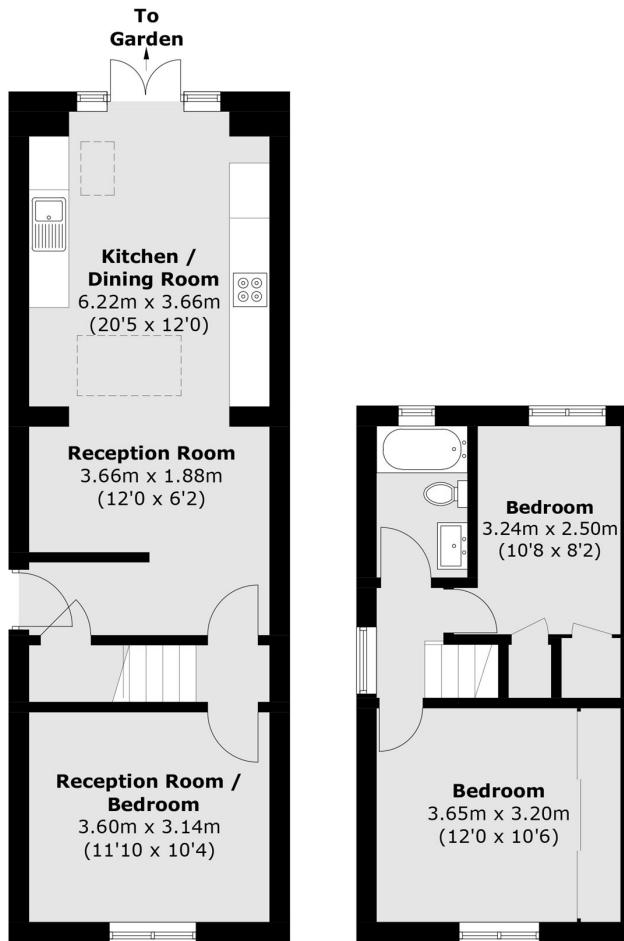

Conveniently located in Hersham, the property is well placed for local amenities, schools, green spaces and transport links, making this an excellent opportunity for buyers seeking a high-spec home with further potential to enhance.
