An exceptional four double bedroom detached home extending to just under 2,500 sq. ft., situated on the highly sought-after Robert Avenue in St Albans. Boasting elevated rear views, this impressive property combines spacious accommodation, contemporary design, and a prime location, ideal for modern family living.

Upon entering, you are greeted by a wide and welcoming hallway that immediately conveys a sense of light and space throughout the home. The ground floor offers excellent versatility, including a generously sized fourth bedroom with an adjoining shower room, perfect for guests or multigenerational living. A separate cloakroom and a dedicated home office add to the practicality of the layout.

The standout feature is the expansive open-plan kitchen, living, and dining area, thoughtfully designed for both everyday living and entertaining. Flooded with natural light from large windows and sliding doors, this space seamlessly connects to the rear garden. A separate utility room keeps household tasks discreetly tucked away, while an additional cosy family room provides further flexibility.

Upstairs, a striking staircase leads to a spacious galleried landing with a mezzanine style feel, enhancing the home's sense of openness. The first floor hosts three further well-proportioned double bedrooms. The principal suite is particularly impressive, featuring a walk-in wardrobe and a stylish ensuite shower room, creating a private and relaxing retreat. The remaining bedrooms are served by a contemporary family bathroom.

Outside, the property continues to impress with a substantial rear garden offering privacy and generous outdoor space. A large patio area is ideal for outdoor dining and entertaining, leading onto a well-maintained lawn bordered by mature planting. To the front, a private driveway provides ample off-street parking for several vehicles.

Robert Avenue is renowned as one of St Albans' most prestigious residential roads, known for its peaceful, leafy setting and attractive detached homes. The location offers excellent access to highly
