This impressive four-storey seaside home offers panoramic views from virtually every room, combining contemporary comfort with an exceptional connection to the surrounding coastline and countryside. With direct access to the harbour, it is perfectly suited to sailing enthusiasts, water sports lovers and those seeking an idyllic coastal lifestyle.

Originally constructed in the 1970s, the property has been significantly enhanced and thoughtfully extended over the years. Most notably, the addition of a striking top-floor living space with vaulted ceilings and dual balconies fully embraces the home's end-of-terrace position, capturing sunlight throughout the day alongside breath-taking sunrise and sunset views across the harbour, wetlands and rolling countryside beyond.

Offering outstanding versatility, Harbour Lights has proved equally successful as a lucrative holiday let and a spacious family residence. The accommodation extends to four generous double bedrooms and four bathrooms, including an en-suite, providing ample space for family living, visiting guests or multi-generational occupation. The first floor forms the heart of the home, with an expansive open-plan kitchen, dining and living area opening onto a substantial terrace overlooking the marina, ideal for entertaining or simply enjoying the coastal setting. The superb top-floor sitting room, complete with en-suite shower room, could also serve as an impressive principal suite or additional bedroom accommodation.

Practicality has been carefully considered throughout, with a spacious entrance hall, modern utility room, extensive storage and secure external storage ideal for bicycles and water sports equipment. Outside, the property benefits from ample off-road parking for multiple vehicles, while the rear patio offers a peaceful outdoor space with scope for additional landscaping or screening if desired.

From the doorstep, a scenic stroll along the historic Mill Wall leads to the National Trust's St Helens Duver and its beautiful family-friendly beach, with coastal walks continuing towards Priory Bay and Seaview. The charming village of St Helens offers a welcoming community atmosphere with a village store, popular pub, restaurants and renowned antiquarian bookshop. Nearby Bembridge provides a wider range of amenities, extensive mooring facilities and two well established sailing clubs, while Ryde and mainland transport connections are conveniently reached within a 5-10 minute drive.

Harbour Lights represents a rare opportunity to acquire a beautifully modernised coastal home in a truly exceptional waterfront setting, perfectly balancing stylish contemporary living with some of the Island's finest natural surroundings.
