## AN ELEGANT PERIOD BUILDING

The main kitchen/reception room provides a large open-plan area suitable for both everyday use and entertaining. Its length and width create a natural division between cooking, dining and seating zones, ensuring the room functions effectively for varied needs. A second living room sits separately, offering an additional reception space that can serve as a quieter social area, media room or informal sitting room. The layout is further enhanced by a dedicated office positioned away from the principal living spaces, giving a practical work-from-home arrangement. The bedroom accommodation comprises three well-arranged rooms peacefully positioned to the rear of the apartment. The largest bedroom provides strong proportions and good flexibility for furniture, while the two additional bedrooms offer comfortable guest or family spaces. A utility room supports day-to-day functionality, and a loft storage area adds valuable additional capacity within the property.
