The Property

A solid timber door opens into a welcoming vestibule with laminate flooring where high ceilings and decorative cornicing set the tone of the home. A side facing sash and case window allows natural light in and coat hooks and ceiling lighting add to the functionality, while a timber and glazed door leads through to the stairway. The staircase, complete with timber handrail and carpet flooring, rises to the first floor accommodation where neutral décor and traditional solid doors continue the appealing presentation. A beautiful arched side window creates a striking feature and allows additional natural light to flood the landing. The sitting room is a lovely space, with high ceilings, ornate cornicing, deep timber skirtings, and tall double aspect windows enhancing the natural light, while an elegant white timber fire surround with tiled hearth and back creates a charming focal point. Finished in neutral tones with a tasteful green feature wall, this room is both stylish and

inviting. The dining room is positioned to the front of the property and features a traditional sash and case window, solid timber flooring, and ample space for formal dining. It also provides access to the kitchen and includes a storage cupboard that houses the boiler. The kitchen is well proportioned and fitted with a range of contemporary floor and wall mounted units, complemented by timber effect worktops and tile to splash back areas. Stainless steel sink and drainer, mixer tap, and space for a freestanding fridge freezer, dishwasher, and washing machine. Built in electric oven and four burner gas hob, as well as space for a breakfast bar and stools. Dual aspect windows to the side and rear ensure the room is bright and airy, while sage green décor, vinyl flooring, ceiling spotlights, and a radiator complete the space.

The bathroom is generously sized and fitted with a three piece suite comprising a corner bath with electric shower and shower boarding, WC, and wash hand basin. Attractive wall panelling, feature wall, vinyl flooring, and two opaque sash and case windows create a bright yet private environment.

There are three well proportioned bedrooms. The principal bedroom, located to the rear, benefits from built in wardrobes with both hanging and shelving space, as well as an additional open shelved press. Finished in neutral tones with carpet flooring and excellent natural light via a large window. The second bedroom sits to the front and offers a comfortable space with similar neutral décor, carpeting, and a sash and case window. The third bedroom is positioned to the rear and is ideal as a guest room, nursery, or home office, again finished in light, neutral tones.

A further standout feature of this property is the impressive attic space, accessed via a wooden staircase with handrail from the landing. This expansive and incredibly bright area benefits from multiple Velux windows offering stunning open views over the surrounding hills. With carpet flooring, ceiling lighting, electric heating, and multiple eaves storage cupboards, it provides excellent versatility.

Overall, this is a beautifully presented, bright and spacious home full of character, offering generous accommodation both inside and out, with a versatile layout and standout features that make it a truly special property.
