4 - Preparing to move in

AFFORDABILITY MADE SIMPLE

To help us complete your affordability checks, we'll ask for a combined annual household income of at least 3 times the annual rent.

If you're unable to provide enough evidence of your income, for example, if you're a student, starting a new job or just beginning your career, you may be asked to provide a guarantor. A guarantor is usually a family member or close friend who agrees to cover your rent if you're ever unable to.

Don't worry if you don't have someone who can act as your guarantor. We can introduce you to Guarantor+, an independent provider that offers professional guarantor services to help support your application.

WHAT YOU'LL NEED TO PAY

Once you've found your perfect apartment, we'll ask you to submit your application and pay a holding deposit equivalent to one week's rent. This secures your home, takes it off the market and will be deducted from your first rental payment.

Once you have successfully passed referencing, you'll be asked to sign your Tenancy Agreement

Before you move in, you'll need to pay your pro-rata rent (covering the period from your move-in date to your first rent payment date) along with your chosen security deposit option.

You can choose between Reposit our convenient zero deposit alternative or a traditional security deposit which is protected through the TDS Custodial Scheme. We'll explain both options during your application so you can choose the one that works best for you.

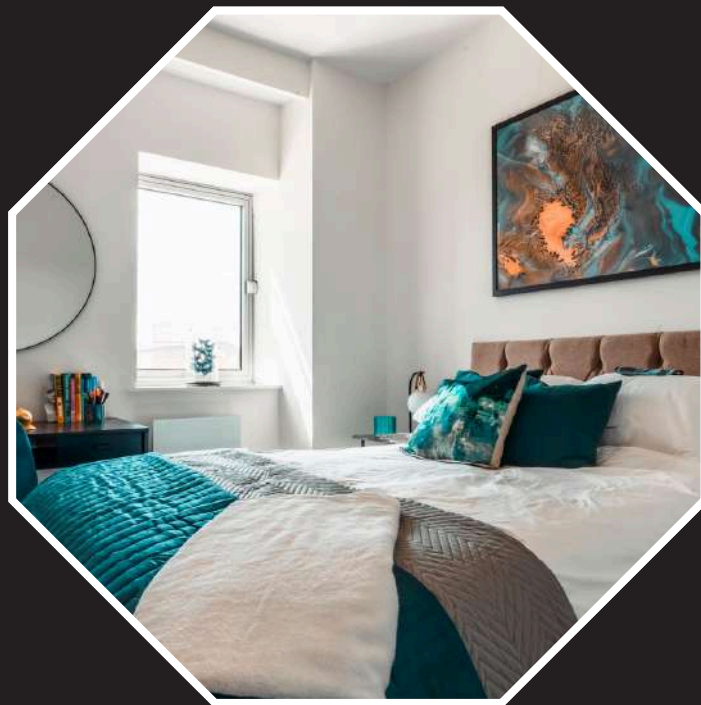

RENT PAYMENTS

We want to make paying your rent as simple and straightforward as possible. Rent is due on the **1st of each month**, in line with the terms of your tenancy agreement.

5 - Furnished Apartments

Our thoughtfully designed apartments come furnished with everything you need to feel at home from day one.

OUR FURNISHED APARTMENTS INCLUDE:

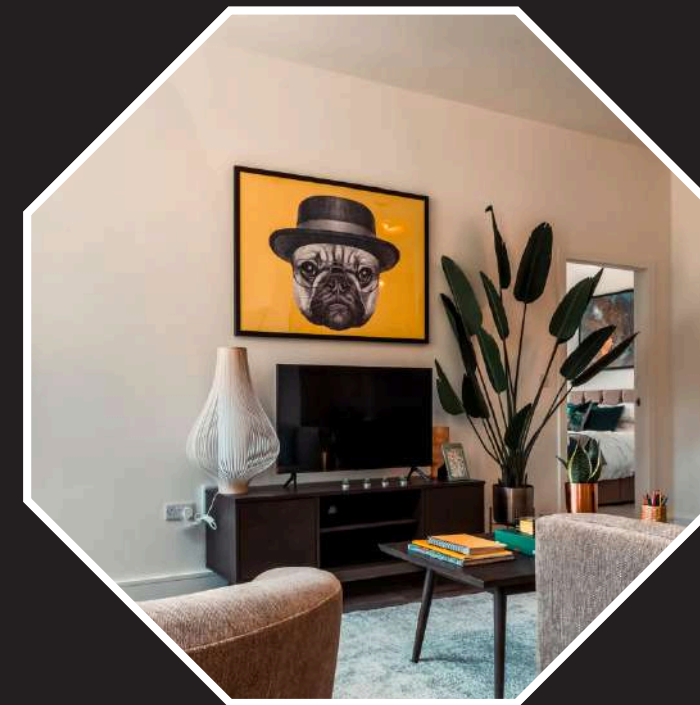

UK King Size bed

Built-in wardrobe storage

Comfortable sofa

TV stand

Dining table and chairs

All **light shades**, **blinds** and essential household appliances, including a **fridge freezer**, **washing machine** and **dishwasher**, are provided as standard.

6 - Community Events

At The Saxons, we believe that a great home is about more than just the space you live in; it's about feeling part of a welcoming community. Throughout the year, we host resident events and activities designed to help you meet your neighbours, connect with the community and make the most of living here.

We also encourage residents to get involved and share ideas for their own events, activities or gatherings. Whether it's a coffee morning, a social get together or a resident-led activity, we'd love to support opportunities for neighbours to connect and build a community together.

Keep an eye out for upcoming events through resident communications, building updates and our management team.

7 - Pets

We know pets are part of the family which is why we're proud to offer pet friendly homes where you and your companion can feel welcome.

PET TERMS & CONDITIONS

To help create a safe and enjoyable environment for everyone, residents are asked to obtain written approval from the management team before bringing a pet into their home. Approval is subject to our Pet Policy, which helps ensure all pets are well cared for and considerate of our community.

For the comfort and safety of all residents dogs prohibited under UK legislation including the Dangerous Dogs Act 1991 and subsequent amendments cannot be accommodated.

8 - Utilities, Bills and Wifi

UTILITIES

Residents are responsible for arranging and paying for their own utilities and household bills. This includes electricity, water, council tax, broadband, TV licence and other service providers.

COUNCIL TAX

Residents are responsible for registering with Sheffield City Council and paying their own Council Tax.

Most apartments at The Saxons are currently within **Council Tax Bands B and C**; however, residents should confirm the banding for their individual apartment with Leicester City Council before moving in.

WIFI

50Mbps wireless broadband is included with your tenancy. Once you've created your Hyperoptic account, you can enjoy the included service or choose to upgrade to a faster package at an additional cost.

9 - Building Access & Fire Safety

Building Access & CCTV

Your safety and security are important to us. The Saxons has secure access systems in place to help provide a safe and welcoming environment for all residents.

Residents will be provided with keys and fobs to enter the building and communal areas. Please keep these secure and do not share access details with unauthorised individuals.

CCTV operates within appropriate areas of the building to support the safety and security of residents, visitors and the wider community.

Fire Safety & Support

Your safety and wellbeing are our priority. As part of our commitment to supporting all residents, we ask whether there are any health conditions, disabilities, support needs, communication requirements or other circumstances that you would like us to be aware of.

Sharing this information allows us to provide appropriate support, assist with fire and emergency evacuation planning where required and consider any reasonable adjustments that may help you during your tenancy.

Any information you provide will be treated confidentially and will only be used for the purpose of providing appropriate support planning for fire and emergency evacuation and making reasonable adjustments where necessary.

Live here!
The flats in The Saxons have a lovely design. The flats have a lots of windows which let in a lot of natural light and have child safety locks on them. The furniture is very comfy and well polished. I am in a 2 bed flat and it is very large, especially with the open plan design. Both bathrooms are spacious and equal in size despite one of them being an en suite...

The Saxons, exceeding expectations
I feel incredibly privileged to have the view I do from my flat, I can see the entire city's skyline through the massive unobstructed windows. The flat has brilliant lighting and never feels dark or dingy. The aircon in the downstairs communal areas is always welcome on a hot summers day when returning home. I love the convenience of the gym and it's never...

The Saxons is a well maintained, modern development with a good standard of finish. The apartment is a decent size and the communal areas are kept clean and tidy.
