Situation

Pitt Farm is set in a beautiful, private and very peaceful location at the head of a sheltered valley, surrounded by its own land on the western side of the Taw Valley. Although very peacefully located, the property is very accessible with the A377 only 1.5 miles away. The village of Ashreigney is about a mile away to the west and the popular small town of Chulmleigh is only 2.5 miles to the east. Chulmleigh has an excellent community spirit and a good range of amenities including various shops, a post office, bakery, health centre, dentist, pubs and a church together with primary and secondary schooling at Chulmleigh Academy. There are also nearby rail stations on the Barnstaple to Exeter 'Tarka' line at Kings Nympton and Eggesford. The busy market town of South Molton is about 12 miles with the regional centre of Barnstaple about 18 miles. Exeter is about 23 miles to the south.

Description

Pitt Farm is a beautifully located period cottage that was, in recent years, superbly renovated and restored by previous owners into what stands today. The unlisted cottage has much charm and character typical of its age yet has modern features such as partial under-floor heating, oak joinery and shuttered windows.

Set across from the cottage is a large, stone/cob threshing barn that provides plenty of storage, workshop and studio space but has considerable potential for further conversion, subject to obtaining the necessary consents.

Accommodation

Steps lead up to an open PORCH with front door into the ENTRANCE HALL with stairs to the first floor. To the left is the KITCHEN with exposed ceiling beams, window seat and which is fitted with a modern range of units with corian style worktops, matching wall units, stainless steel sink unit and electric Aga range cooker. The rear HALL has a CLOAKROOM off with WC and wash basin and there is a LOG STORE with door to the outside. The UTILITY has a dual-bowl sink unit, plumbing for washing machine and plenty of space for white goods. Off the utility room is a STUDY.

Returning to the hall a door to the right leads into the DINING ROOM with an impressive beamed ceiling, window seat and a large stone inglenook fireplace with a slate hearth and wood burning stove. The LIVING ROOM has a fireplace with slate hearth and wood burning stove, ceiling beam and window seat.

On the FIRST FLOOR there is a spacious GALLERIED LANDING with airing cupboard and book-shelving. BEDROOM ONE is a large double room with large chimney breast and BEDROOM TWO is also a large double room. The BATHROOM is a fitted with a modern suite comprising a panelled bath, concealed cistern WC, tiled shower cubicle and vanity wash basin.

Outside

The property is approached from the council maintained road over its own access lane that leads down to the cottage and barn which are set either side of a large, paved parking and turning area. The former THRESHING BARN offers a large, storage space (40' x 16') which is vaulted to the roof. The barn also incorporates a WORKSHOP (18' x 12'6") and a CLOAKROOM with WC and wash basin. Above the workshop on the first floor is a very useful STUDIO/CRAFT ROOM (17'7" x 15'11") which has a semi-vaulted ceiling, sink unit and a corner wood burning stove on a slate hearth.

The gardens and grounds are delightful. To the rear of the cottage is a paddock bordered by a run of mature trees with a FIELD SHELTER (11'5 x 10'5) and to the lower side of the barn is an area of bog garden. To the rear of the barn is a beautifully kept kitchen garden with greenhouse, raised beds and fruit cage. Adjacent is an orchard of fruit and nut trees and beyond is an area of pasture. Towards the western edge of the property is an area of mature woodland with a stream running through and a highly attractive grassy glade. Planted along the western and northern boundaries is a corridor of planted trees creating a shelter belt around the site.

In total the property extends to about 4.25 ACRES.

Planning Permission

Torrige District Council granted planning permission on 23 February 2026 for the DEMOLITION OF EXISTING SINGLE STOREY EXTENSION AND ERECTION OF LARGER SINGLE STOREY EXTENSION. (Ref: 1/0981/2025/FUL) Full details and plans are available on the Council's planning portal at publicaccess.torrige.gov.uk/.

The approved plans allow for a large, open-plan kitchen/dining room/day room with the existing kitchen being used as a utility room with cloakroom off. They also allow for replacement of the existing thatched roof with slate.

It is considered that there is potential to extend the first floor accommodation above the approved ground floor extension if required, subject to gaining the necessary consents.
