

Langquoy, Sandwick, KW16 3LP

Offers Over £60,000

K Allan Properties are delighted to present this stunning plot to the market for sale which is positioned on the West Mainland of Orkney in the Parish of Sandwick. The one acre plot is positioned beautifully in a meadow, overlooking countryside, and benefiting from panoramic sea views. Additional land is available with separate negotiations.

We advise anyone interested in this project to discuss plans with an architect and then consult with the Orkney Islands Council planning department.

The plot is presented to the market with no planning in place.
