We are delighted to present this attractive detached bungalow, ideally situated within the ever-popular Victoria Close.

Occupying a substantial corner plot, this beautifully maintained home is offered in excellent condition throughout and comes to the market with no onward chain.

The accommodation comprises a generous entrance hallway with a useful storage cupboard and doors leading to the majority of the rooms. The well-proportioned sitting room is positioned to the front aspect and features an attractive fireplace, with a door opening through to the dining room. The dining room is another spacious reception area, benefiting from an archway into the kitchen and French doors that open onto the rear garden. The kitchen is fitted with a comprehensive range of quality wall and base units, incorporating a stainless-steel sink and drainer. There is ample space for appliances, along with a double electric oven, separate four-ring gas hob with extractor hood above, ceramic tiled flooring, a cupboard housing the hot water cylinder, and a door providing side access.

All three bedrooms are well-proportioned doubles. The principal bedroom benefits from two double Mirror Image fitted wardrobes. Bedrooms two and three also feature fitted Mirror Image wardrobes and enjoy attractive views over the garden. The shower room comprises a modern two-piece suite with shower cubicle and hand wash basin, complemented by ceramic tiled walls and a full-length heated towel radiator. There is also a separate WC with low-level WC and hand wash basin. The property further benefits from a modern fitted boiler, high-quality oak internal doors throughout, and uPVC double glazing installed by Broadland Windows

Outside

Externally, the property is set well back from the road, offering a high degree of privacy. The generous driveway provides ample off-road parking for multiple vehicles and includes an additional low-maintenance garden area which could serve as further parking if required. Wrought iron gates set within an archway lead through to the rear garden. The garage benefits from power, lighting, and an electric roller door. A rear door provides access to a versatile games room, which could easily be converted into a home office or gym. There is also a separate storage space accessed from the rear of the games room. The main rear garden is a beautifully private space, predominantly laid to lawn and enclosed by mature hedging. It offers an excellent area for a vegetable plot and includes a number of timber outbuildings, available by separate negotiation.
