NO UPWARD CHAIN | MODERN HOME BUILT IN 2014 | TWO SPACIOUS BEDROOMS | OFF ROAD PARKING | HMO LICENCE | SOUGHT AFTER LOCATION | ORIGINALLY A THREE BEDROOM HOME

Built in 2014, this beautifully presented and well maintained mid terraced home offers modern and versatile accommodation in a highly sought after location. Benefitting from off road parking for two vehicles, a low maintenance rear garden and an EPC rating of C (certificate issued in 2026), the property is ideal for both owner occupiers and investors alike.

Originally designed as a three bedroom home, the first floor has been thoughtfully reconfigured by removing a non load-bearing partition wall to create two generous double bedrooms, with the main bedroom benefitting from an ensuite, providing spacious and flexible living accommodation. The layout could also offer potential for reinstatement to its original configuration, subject to any necessary consents.

The ground floor comprises a modern fitted kitchen, a bright and comfortable living area with access to the rear garden, and the added convenience of a ground floor shower room with WC. Upstairs, the principal bedroom benefits from an ensuite, while a stylish family bathroom serves the remaining accommodation.

Externally, the private rear garden has been designed for low maintenance, making it ideal for relaxing or entertaining, while to the front the property benefits from off road parking for two vehicles.

The property has held an HMO licence since 2021, offering excellent flexibility for investors, while its superb location also makes it a fantastic choice for families and professionals. Ideally positioned close to the University of Warwick, Cannon Park Shopping Centre, Canley Train Station and the A45, the property also falls within the catchment area for Cannon Park Primary School (subject to the local authority's admissions criteria).
