This three-bedroom semi-detached home is situated on Tresawls Road in Truro and is offered to the market with vacant possession and no onward chain.

Please note: due to the outcome of a mundic test, the property is likely to be suitable for Cash Purchasers Only. Further information is available upon request.

The accommodation is arranged over two floors, with all three bedrooms located on the first floor, along with the family bathroom.

To the ground floor, the property offers well-proportioned living space, comprising an entrance hallway, living room, separate dining room, kitchen, and a rear conservatory. A useful ground floor WC is accessed from the conservatory.

Externally, the property benefits from off-road parking, an enclosed rear garden, and a garage/workshop providing additional storage or potential for a variety of uses.

In our opinion, this property offers an excellent opportunity for purchasers looking for a home or investment within Truro, subject to the considerations outlined above.

Agents Note:

A mundic assessment has been carried out on the property, resulting in an Overall Classification B. While the main wall samples were found to be of a generally suitable type with no significant deleterious material identified, the footings (between the damp-proof course and ground level) contain mine waste and failed further Stage II testing. As a result, the property is likely to be suitable for Cash Purchasers Only, and further information is available upon request.
