A Victorian Revival

A truly special Victorian terrace that has been completely transformed by its current owners, who have brought what was once a mere shell back to life and created something genuinely sublime throughout.

The result is a home that strikes a wonderful balance between contemporary style and timeless Victorian character, retaining the charm, warmth and cosiness you

would hope for from a period property whilst introducing a beautifully modern finish throughout. The bay-fronted lounge provides an inviting place to relax, while the

delightful kitchen/dining area creates a sociable heart to the home. There are two well-proportioned double bedrooms, complemented by an exceptionally stylish and

modern bathroom, together with the added convenience of a downstairs WC.

Outside, the garden is a particularly impressive feature and offers excellent proportions for a Victorian terrace, with a useful garden room positioned at the rear and a

gate providing convenient rear access. A driveway to the front is another notable advantage, providing parking for two vehicles, which is a real rarity for a property of this

age and style.

With no onward chain, local amenities practically on the doorstep and excellent school catchments nearby, this is a home where an enormous amount of thought, care

and imagination has gone into every corner. A Victorian classic, beautifully reborn for modern living.
