

Bamburgh

 3 bedroom  2 bathroom House

The Bamburgh is a spacious three-bedroom home spread across three floors, with a layout that gives each floor its own distinct purpose. There's considerably more room here than its footprint suggests.

The ground floor opens into a large living room with French windows leading onto a private garden, alongside an open-plan kitchen and dining room and a downstairs WC.

The first floor has two double bedrooms and a family bathroom with both bath and shower. At the end of the landing, a separate lobby, often used as a home office, leads up to the main bedroom and en-suite shower room on the top floor. A well-proportioned home that's easy to make your own.

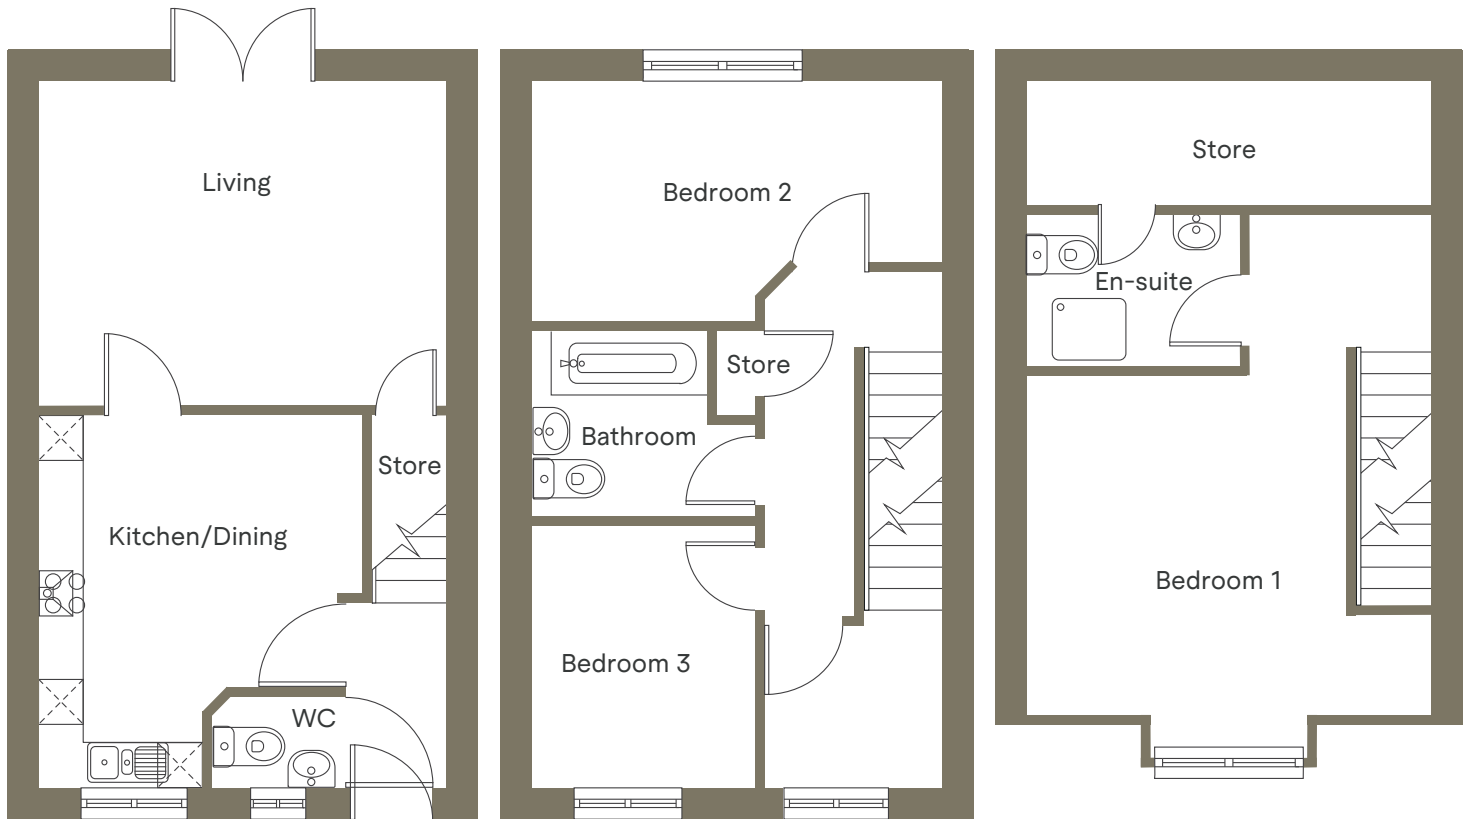

The property includes:

- Kitchen with modern worktops and units
- White goods including dishwasher, fridge freezer, washing and drying machine
- En-suite shower room in the main bedroom
- Downstairs WC
- Carpet on the stairs and in the bedrooms
- Security alarm system
- Parking space
- Private rear garden
- Blinds to all bedrooms
