The dining room also leads through to the superb breakfast kitchen, fitted with modern high-gloss acrylic wall and base units, a bank of full-height storage cupboards, integrated appliances, and a curved breakfast bar for informal dining. Designed with both style and practicality in mind, the kitchen offers excellent storage and a bright, welcoming atmosphere.

Open-plan to the kitchen is the delightful summer room, currently used as both an informal dining area and relaxed family sitting room. The formal sitting room also enjoys direct access, allowing the accommodation to flow seamlessly between the principal living spaces.

To the first floor, a striking mezzanine landing overlooks the double-height dining hall below. Positioned on either side are two generously proportioned bedrooms, both with fitted wardrobes. The first features floor-to-ceiling glazing overlooking the gardens, whilst two large Velux windows flood the room with natural light. The second bedroom mirrors the proportions and light-filled nature of the first, featuring floor-to-ceiling glazing overlooking the gardens together with large Velux windows that flood the room with natural light. In addition, the room benefits from a useful

walk-in wardrobe, providing additional storage.
