All in a quiet and yet convenient location between Gwinear and Reawla, near the north Cornish coast at Hayle.

The Property

15 Relistian Lane is a 9 acre small holding comprising three dwellings; a three bedroom double fronted detached house and a pair of semi detached bungalows – one with two bedrooms and the other with one bedroom – all set in a little over 9 acres (approximately 9.13 acres) and enjoying peace, tranquillity and privacy with far reaching rural views. The bungalows currently have consent for year-round holiday let use but have the potential (subject to planning) to be used as full time dwellings for those looking for multi-generational living or those with dependent relatives.

Until about 2020 the property was used as a Pitch & Putt with café, though trading has since ceased and the land has largely been left to re-wilding, inviting a whole host of flora and fauna to the site. The property offers a wonderful lifestyle opportunity to enjoy a home with income, with space for equestrian use, hobby farming, or to indeed run a similar business from the site again (subject to consent).

Chy Noweth

The main dwelling, known as Chy Noweth, is a timber frame build thought to have been built around 2000 with accommodation set on the reverse level principle to take advantage of the best of the views from the first floor.

At ground floor level is a full height entrance hall, three double bedrooms – all with fitted wardrobes and the master with an en-suite shower room – and a family bathroom, whilst to the first floor is a triple aspect kitchen/dining room, w.c. and dual aspect sitting room with red brick inglenook-style fireplace with woodburner inset and French doors with a Juliette balcony from which the views are stunning.

The house is heated via oil central heating and all windows and doors are in PVCu double glazing. The house had new plumbing and electrics in 2022 and at the same time the new kitchen was fitted – the Samsung American style fridge-freezer will be included in the sale as well as integral appliances including electric oven, induction hob and dishwasher. Useful extras such as a boiling water tap and carousel units are also fitted.

Keepers Cottage is currently let on an Assured Shorthold Tenancy (AST) for an initial 12 month period from 22nd May 2025.

Chy Lowen

Chy Lowen is a one bedroom semi-detached bungalow which was converted from the café in circa 2020. The accommodation is well proportioned and comprises an open plan living/kitchen/dining space (complete with Cookmaster range included in the sale), a double bedroom with large en-suite bath and shower room and a dressing room/office. At the front is an enclosed garden with a concrete parking space. This property is heated via LPG central heating and all windows and doors are in PVCu double glazing.

Chy Lowen has been let on an Assured Shorthold Tenancy since 2023 and the tenants are now on a rolling month by month contract.

Barn/Workshop

To the rear of the properties is a single storey barn, currently divided into two, which provides useful storage/workspace space (light, electricity and water is connected), but which may also have potential for conversion into an additional dwelling, work from home space, studio etc (subject to the necessary planning permissions).

Gardens & Grounds

The gardens and grounds are wonderfully private and are now divided into an area of garden with space for chicken coops, vegetable growing etc and into six field enclosures which are all bordered and interspersed by mature trees and shrubs. The land is largely level with some gently sloping areas and has become a haven for all kinds of flora and fauna. Mains water is available throughout the site, ideal for irrigation and for livestock.

At the head of the entrance lane is a large, gravelled driveway providing ample parking and turning space.
