A lot going for this two bedroomed detached home in Higher Bebington, not least its no chain status, but also its deceptively spacious accommodation, southerly facing garden, and its location, too...

We were surprised by the space on offer here; off the main hallway (complete with w.c), there's the front sitting room, with double doors separating it from the rear diner - close these off to make for a more snug, private space, or throw them open for a more inclusive feel.

And then we're through another set of double doors to the garden - or through the opening to the kitchen - a specifically great flow of accommodation, certainly for the entertainers amongst us who enjoy being in the mix whilst cooking! A fitted kitchen here with a good amount of work top and cupboard space, and then another door out to the garden.

Upstairs we have two doubles, both with en suites - the front with shower room, and the rear with bathroom - equally sized bedrooms enjoying a great deal of light.

Outside we have a patioed garden which is obviously very easily maintained, so for those of you who have little time to tend to a lawn, this is pretty perfect, just grab a few pretty pots and you'll be ready to go!

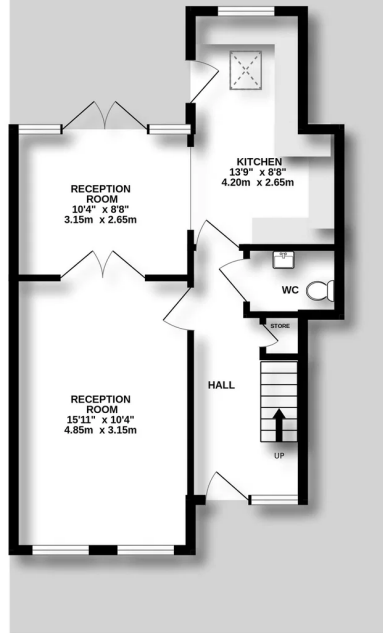

School Lane sits parallel to Mount Road, with a short drive to the M53 in one direction, and the shops, restaurants and bars of Higher Bebington are just a walk away.
