About The Property

A really charming character end town house with accommodation over four floors together with a good rear garden, offered in good order throughout and with the benefit of having no chain. It is situated in a prime city location overlooking Wyndham Park to the front with views of the Cathedral beyond and is within walking distance of the city centre with all it's facilities, local schools including both Grammar schools and the main line station with Waterloo being 1 hour 40 minutes. Features include a larger than average garden with shed and greenhouse, gas central heating by radiators, double glazing with some sash windows, stripped doors and associated timbers and a wonderful fireplace in the sitting room.

Steps lead up to the front entrance porch with wooden door into the hall. From here a staircase leads to the first floor and there is a useful recess for coats and table. The sitting room has a large bay window to the front elevation, living flame gas fire with cast iron and marble surround, decorative coricing. Also off the hall is a good sized dining room and there

are steps down to the kitchen/breakfast room with exposed floorboards, a good range of granite work surfaces, cupboards and drawers, display cupboard and recess for American style fridge/freezer. From here there is a door to the front which leads to stairs down to the family room with large storage cupboard. Another door from the kitchen leads to the utility room which houses the Worcester gas boiler for heating and hot water and has a door to the garden. Finally on this floor is a cloakroom.

On the first floor are two double bedrooms, large family bathroom and separate shower room.

On the second floor are two further bedrooms.

Outside, the property sits behind a low brick wall with wrought iron pedestrian gate opening to tiled pathway and steps to front door. To the side is a pedestrian access leading to the rear garden. This is larger than usual with large sitting area, lawn, flower beds, shrubs, greenhouse and garden shed.
