CONIFERS, NEW VILLAGE, INGLETON, CARNFORTH, LA6 3DJ

Interesting opportunity to acquire a good-sized level building plot located within a popular established residential area on the edge of Ingleton Village.

The size extends to approximately 1358m² and has the benefit of outline planning approval for the construction of 5 dwellings but may lend itself to more units subject to the approval of a more detailed scheme.

The outlined planning approval comes with all relevant surveys which include flood risk assessment, environmental input (BNG), tree and bat surveys.

The land is currently occupied by a dilapidated bungalow which it is proposed to be demolished to make way for the development.

Ingleton is a very popular village which is situated within stunning countryside on the edge of the Yorkshire Dales National Park, under the famous Ingleborough hill part of the 3 peaks range.

The village has a thriving community with all local amenities including independent shops, pubs and cafes, plus community centre, churches and village swimming pool.
