The Property

An extended three bedroom semi detached home in need of updating with a large garden. It is ideally located towards the end of a quiet close, close to Longfields Primary School and the town centre

From the hall there is a bright sitting room, a wet room adapted for disabled use and a dining room ahead of you which is open plan into the kitchen. There are three or four bedrooms (one bedroom previously divided in two). The front garden has lawn and flower beds and is flanked by a driveway with parking for at least three cars, whilst the rear is laid to lawn with mature trees and shrubs, incorporating an additional garden beyond.

The property is connected to mains; electricity, gas, water and drainage. Broadband - according to Ofcom, up to Ultrafast broadband is available (checker.ofcom.org.uk). Mobile – according to Ofcom - there is good outdoor and in home coverage for O2 & Vodafone and good outdoor and variable in home coverage for EE & Three (checker.ofcom.org.uk). We are not aware of any planning permissions in place which would negatively affect the property but interested parties should make their own enquiries with the local authority. Information relating to Covenants, Easements, Boundaries, Restrictions & Rights are available upon request. Properties built pre-2000 may contain asbestos in certain materials used in their construction or in subsequent building work. Examples of these materials are; Artex, vinyl tiles, sheet boards, corrugated roofing, pipework and lagging/insulation. These are generally considered safe unless disturbed but prospective buyers must take their own advice. We have noted the presence Artex but, as no survey has been carried out, we cannot comment in respect of asbestos potentially elsewhere.
