Welcome to Van Diemens Road — the Chelmsford gem serving style, convenience and “main character energy” in equal measure.

This beautifully presented two-bedroom ground floor maisonette is the kind of property that disappears from the market faster than brunch reservations on payday weekend. Offering approximately 105 years remaining on the lease, this home is ideal for first-time buyers, downsizers, savvy investors or anyone looking to level up their lifestyle without compromising on location.

Step inside and you’re greeted by a bright and spacious lounge/diner — the ultimate setting for everything from Netflix marathons and wine nights to “I’ve suddenly become obsessed with hosting” dinner parties. The modern kitchen is sleek, stylish and practical, perfectly designed for whipping up anything from a gourmet meal to an air-fryer masterpiece.

The property boasts two well-proportioned bedrooms, both offering comfortable living with plenty of versatility for guest rooms, home working or your very own TikTok-worthy dressing room setup. The contemporary shower room adds a polished finish, creating a home that feels fresh, modern and completely move-in ready.

Outside? It keeps getting better.

There’s a private courtyard perfect for morning coffees, summer BBQs or pretending you’re in a lifestyle reel somewhere in the Mediterranean. Residents also benefit from access to a communal garden and allocated parking — because hunting for a parking space is officially cancelled.

Location-wise, this one is seriously connected. Situated approximately 0.5 miles from Chelmsford City Centre and Chelmsford train station, commuters can enjoy direct access into London Liverpool Street while still escaping back to Essex comfort at the end of the day. Plus, with excellent A13 road links nearby, getting around couldn’t be easier.

Stylish, social-media ready and brilliantly located — this is Chelmsford living with a little extra sparkle.
