Key Features

GUIDE PRICE £600,000 - £625,000. Located in the ever-popular area of Edwalton, this beautifully presented five-bedroom detached property offers spacious and contemporary living, ideal for families or professionals. Just a short drive from West Bridgford and positioned within the catchment area for some of the East Midlands' top schools, the home combines comfort, convenience and style.

Located in the ever-popular area of Edwalton, this beautifully presented five-bedroom detached property offers spacious and contemporary living, ideal for families or professionals. Just a short drive from West Bridgford and positioned within the catchment area for some of the East Midlands' top schools, the home combines comfort, convenience and style.

The property features a welcoming entrance hallway, a modern and stylish living room and a spacious open-plan kitchen, dining and living area. The newly fitted kitchen includes a central island, integrated Bosch appliances, Dekton worktops and a Quooker instant hot water tap with water filter. The ground floor also benefits from underfloor heating throughout, with Karndean luxury flooring, creating a warm and comfortable living environment and includes a separate utility room with ample storage, space for appliances and a convenient downstairs WC.

Upstairs, you'll find five well-proportioned bedrooms. Four are generous double rooms with fitted wardrobes, while the fifth bedroom with fitted wardrobes, is currently configured as a study, but ideal as a nursery, playroom, dressing room or hobby room. The master bedroom benefits from its own en-suite bathroom, featuring a luxurious power shower and the remaining bedrooms are served by a modern family bathroom.

Outside, the property boasts a large, well-maintained south-west facing rear garden with a combination of lawned and patio areas, perfect for outdoor entertaining. To the front, there is a further garden and ample driveway parking.

Additional benefits include separate thermostat controls for upstairs and downstairs, supporting efficient temperature management alongside the underfloor heating.
