Springfield Road, Brighton

Smart one-bedroom apartment with an unexpectedly spacious hall, ideal for a home office. Bright reception room with large windows, separate fitted kitchen, double bedroom and modern bathroom, plus excellent attic storage, private shed and shared rear garden, close to amenities.

Set within a well-kept building and approached via a smart communal staircase, this impressive one-bedroom apartment opens into a surprisingly versatile entrance hall. A rare feature for a property of this type, the hall comfortably accommodates a dedicated home-working or study area, offering an ideal solution for modern living without compromising on entertaining space. The reception room is generous in both scale and natural light, with large windows creating a bright, airy setting for both relaxing and dining. The kitchen is neatly arranged and highly functional, providing excellent storage and worktop space for everyday cooking.

The double bedroom is well proportioned and peaceful, easily accommodating freestanding furniture, while the bathroom is finished with a clean, contemporary suite including a bath with overhead shower.

Further setting this apartment apart is the substantial attic space, delivering exceptional storage rarely found in similar flats. In addition, the property benefits from its own private shed—ideal for bicycles, tools, outdoor furniture or seasonal items.

Outside, residents enjoy use of a shared rear garden, perfect for unwinding or socialising in the warmer months. Conveniently positioned close to local cafés, shops, transport links and everyday amenities, the property sits within a popular and well-established residential neighbourhood.
