Offers over £550,000

13 Bramley Road

, Ferndown, BH22 9JJ

We are delighted to offer this stunning extended and comprehensively refurbished four double bedroom, three bathroom detached chalet-style residence, ideally positioned within a quiet and highly sought-after residential road in Ferndown.

Beautifully presented throughout, this exceptional home has been thoughtfully renovated to create a stylish and contemporary living environment. Improvements include a superb modern fitted kitchen, luxurious bath and shower rooms, quality flooring, carpets and tasteful décor, all finished to an impressive standard. Offered with vacant possession, this property is ready for the new owners to simply move in and enjoy.

The impressive open-plan kitchen, dining and living space forms the heart of the home, providing a fantastic setting for modern family life and entertaining. Bi-fold doors open onto a decked terrace overlooking the beautifully landscaped rear garden and tranquil pond, creating a wonderful connection between inside and out. The current owners have carefully designed the garden around this feature, although for purchasers preferring a more traditional lawned garden, the sellers have advised they would be willing, subject to an agreeable offer and straightforward arrangements, to reinstate the garden accordingly.

Further benefits include electronically operated external blinds, providing excellent control over sunlight and temperature during warmer months, whilst also offering full blackout capability for enhanced comfort, privacy and energy efficiency throughout the year. The property also benefits from a detached garage and ample off-road parking, adding further convenience and practicality.

The accommodation includes four generous double bedrooms & three stylish bath/shower rooms, offering excellent flexibility for families, guests or multi-generational living.

A rare opportunity to acquire a superbly finished home in an enviable location, combining contemporary style, generous accommodation and a peaceful setting.
