Henley-In-Arden, B95 5QB  
Offers In The Region Of £350,000**

Situated in an elevated position to the North of Henley-in-Arden, Beaudesert Park is a Grade II listed former manor house, originally constructed in the early 19th century and later sympathetically converted into six exclusive apartments. This impressive residence combines period charm with modern-day comfort and is set amidst glorious countryside, which offers fine, uninterrupted views in all directions.

Apartment 5 enjoys a prime second-floor position, offering far-reaching views across the picturesque Warwickshire countryside. The well-proportioned accommodation briefly comprises a welcoming reception hall, a spacious dual-aspect living room, a generous formal dining room (which could also serve as a third bedroom), a fitted kitchen, two double bedrooms with built-in wardrobes, a main bathroom, and an additional washroom to bedroom two. Externally, the property is set within beautifully maintained communal gardens and grounds, and further benefits from a garage and ample off-road parking. Retaining a wealth of character, the apartment features high ceilings, elegant Georgian windows, and attractive fireplaces. At the same time, it presents an excellent opportunity for buyers seeking a property they can update and personalise to their own taste and style. The property is being sold with the benefit of no upper chain.

The popular and picturesque former market town of Henley-in-Arden provides a range of shopping and recreational facilities, a number of pubs and restaurants, both primary and secondary schools, dental practice and doctors' surgery. The property is also conveniently located for major road and rail networks, with the M42 (J3A) and M40 (J16) motorways located just 7 miles and 5 miles, respectively. The railway station ("Henley-in-Arden") offers regular direct trains to Birmingham City Centre and Stratford-upon-Avon.

The property is set well back from the road and approached via a long private driveway that leads up to the house and also provides access to the parking area and garage blocks. Situated on the second floor, the front door opens into:-
