A beautifully kept home where open living and a sunny courtyard come together with ease.

A considered, light-filled home offering two bedrooms, spacious living space and a beautiful garden room, all tucked quietly within a charming Newton setting.

This delightful two-bedroom home is arranged over two storeys and offers well-balanced accommodation extending to approximately 681sqft. Positioned within a quiet and neatly arranged development, the property combines a sense of privacy with a welcoming community feel.

The ground floor is centred around an attractive open-plan kitchen and living space, designed with modern living in mind. The kitchen is well-appointed with clean, contemporary finishes and flows seamlessly into the living area, creating a sociable and practical layout. To the rear, a charming sun room provides an additional reception space, bathed in natural light and offering a gentle connection to the outdoors.

From here, doors open onto a south-facing courtyard garden—an inviting and manageable space, ideal for enjoying the sun throughout the day with minimal upkeep.

Upstairs, there are two well-proportioned bedrooms, both thoughtfully arranged and served by a modern shower room finished in a crisp, understated style. The overall presentation of the home is excellent, allowing a purchaser to move straight in with ease.

Externally, the development itself is a particular feature. Lynton Court is a small, secluded cluster of homes with off-street parking and a pretty communal courtyard framed by mature trees, creating a calm and neighbourly environment.
