#### Location Note

Little Baddow is a most desired elevated village situated between Danbury to the south and the Chelmer & Blackwater Navigation Canal to the north. Little Baddow & Danbury are famous for their National Trust woodlands, conservation and areas of natural beauty. There is a wide range of schools in the district, both in the public and private sector. Nearby preparatory schools are Heathcote School of Danbury and Elm Green School, Little Baddow. State schools include Danbury Park Community School (Outstanding by Ofsted) and St Johns C of E primary school.

Danbury village provides a good range of village stores as well as a library, dentists, doctors surgery plus a sports and leisure centre with a gym. A wider collection of shopping facilities can be found in the city of Chelmsford just 6 miles to the west. There are frequent direct trains to London Liverpool Street from the mainline station in Chelmsford as well as easy access to the national motorway network via the nearby A12 & A130. There is a bus stop ideal for school children use situated at the beginning on the lane on The Ridge.

From our experience there is the potential to re-design and extend the existing dwelling if a buyer should wish. This is of course is subject to gaining the required planning consent from the local authority. Any person wishing to carry out building works of this nature should make their own enquiries of Chelmsford City Council, 01245 606606, [www.chelmsford.gov.uk/planning-and-building-control/](http://www.chelmsford.gov.uk/planning-and-building-control/)
