"There are so many things we love about this place. We have absolutely loved the grand size of the master bedroom and waking up to the morning sun streaming through its bay window. And we'll really miss entertaining in the garden around our fire pit, or just sitting in the garden on a summers morning after a run, tucking into a pastry and a coffee from the market. It's been such an incredible place to live and we're really going to miss it!"
