Stylish Canal-Side Townhouse in Exclusive Gated Development – No Onward Chain.

Occupying a delightful position backing onto the canal, this beautifully presented three-bedroom townhouse forms part of the sought after and exclusive gated development of Waters Edge. Offering spacious and versatile accommodation arranged over three floors, the property enjoys attractive canal views, driveway parking, a garage, and is offered for sale with no onward chain. Ideally located within walking distance of Chester's historic city walls, Water Tower Gardens, and the vibrant city centre, the property also benefits from easy access to Chester Racecourse and the Greyhound Retail Park. The accommodation briefly comprises an entrance hall leading to an inner hallway. The ground floor features a versatile third bedroom with French doors opening onto a Juliette-style balcony, offering flexibility as an additional reception room, home office, or guest bedroom. To the first floor, a spacious landing provides access to a bright and airy living room with French doors opening onto a balcony overlooking the canal. The well-appointed dining kitchen enjoys access to a second balcony overlooking the courtyard, creating an ideal space for entertaining, while a separate WC completes this level. The second floor offers a generous principal bedroom with walk-in wardrobe and en-suite shower room, a further double bedroom with walk-in wardrobe, and a family bathroom. The property benefits from double glazing and gas-fired central heating, with a recently installed Worcester boiler providing improved energy efficiency. A striking oak staircase with contemporary spindles and handrails has also been recently fitted, creating an impressive focal point throughout the home. Externally, there is a block-paved driveway providing off-road parking and access to a single garage. A superb opportunity to acquire a well-maintained canal-side home in a highly convenient and desirable location.

LOCATION

Waters Edge is ideally positioned for buyers who want a waterside setting without sacrificing access to the city centre. Situated directly alongside the Shropshire Union Canal, the development combines a peaceful canal-side environment with excellent connectivity to Chester's historic core.

The development sits just a short walk from the city centre, allowing residents to reach Chester's shops, restaurants, cathedral, and historic streets on foot. One of its biggest attractions is its proximity to the canal towpath, offering scenic walks, cycling routes, and waterside views right from the doorstep. The canal connects into Chester Basin, where the canal and River Dee meet in the heart of the city.

Nearby is Water Tower Gardens & Play-area, a popular green space set beside Chester's ancient walls and canal. The gardens provide open parkland, play areas, tennis courts and attractive views of the historic surroundings, making them particularly appealing for families and dog walkers.

The area is also home to the historic The Water Tower, a Grade I listed medieval structure dating from the 14th century. Positioned on the north-west corner of Chester's city walls, it adds significant character and heritage value to the neighbourhood.

For leisure and entertainment, residents are within walking distance of Chester Racecourse, the oldest racecourse still in operation in Britain. The racecourse and surrounding Roodee provide an expansive open aspect that is unusual for such a central location
