Situated on the ever-popular Links Road in Gorleston, this attractive detached bungalow offers spacious and versatile accommodation, a generous rear garden, a double garage and is just a short stroll from Gorleston's award-winning beach.

The accommodation begins with an entrance porch which opens into a spacious open-plan dining area. Originally configured as a hallway and third bedroom, this versatile space now provides an excellent area for entertaining, complete with two useful storage cupboards and access to the principal rooms. The sitting room is a particularly bright and welcoming space, measuring in excess of 16ft and benefitting from two large windows that flood the room with natural light. A doorway leads into the adjoining study, which offers excellent flexibility and could easily serve as a third bedroom or guest room if required. The kitchen is fitted with a modern range of high-gloss wall and base units with complementary work surfaces over. Integrated appliances include a double oven, separate four-ring gas hob with extractor hood above and an integrated dishwasher, whilst there is additional space for a fridge/freezer. A useful cupboard houses the combination boiler, and a door provides access to the side of the property.

There are two well-proportioned double bedrooms, with the second bedroom benefitting from a range of fitted wardrobes. The family bathroom is beautifully appointed with a four-piece white suite comprising a panelled bath with mixer tap and shower attachment, separate shower cubicle with rainfall shower, low-level WC and wash hand basin. Slate flooring, fully tiled walls and inset spotlights complete the room.

Outside

Outside, the property continues to impress. The front garden is mainly laid to lawn with a low-level retaining wall and pathway leading to the entrance, while timber gates provide access to both sides of the property. The generous rear garden enjoys two spacious brick-weave patio seating areas connected by a central pathway, with the remainder laid to lawn and complemented by established flower and shrub borders, creating a wonderful space to relax or entertain.

The detached double garage features recessed spotlights, an electric roller door and an additional pedestrian door. A double-width driveway to the rear provides ample off-road parking. The property has also been well maintained, benefitting from brand new fascias, bargeboards and guttering installed in 2026, together with a recently fitted electric roller garage door.
