As part of the planning consent for this development a number of new homes are designated as section 106 (section 75 in Scotland) affordable housing. These properties will remain as affordable housing tenure and are specifically shown to make it clear that they are not available for general sale. The remaining homes on the development are available for open market sale (including multi-unit sales) to purchasers, who could be private individuals or another type of purchaser (for example local authorities, housing associations or other commercial landlords), and, therefore, the mix of tenures on a development may change. Curo Group give notice that this site plan computer generated image has been prepared for illustrative purposes only and is indicative only. This should not be relied upon as accurately describing any of the specific properties described, nor does this constitute a contract or warranty. The purpose is to give a feel for the development. External materials, finishes and landscaping and the positions of garages may vary throughout the development. Please note the site plan is not drawn to scale. Details correct at time of production, March 2026.
