The entrance hall welcomes you with wood-effect tiled flooring, soft spotlighting, and a useful understairs storage cupboard. A stylish cloakroom with vanity unit and plinth lighting is located just off the hall. To the front, a dedicated study provides an ideal home office, while the spacious lounge at the rear features dual aspect windows, French doors to the garden, and a charming 'Clearview' stove with stone hearth and oak mantel. Pre-wired for home cinema, it's perfect for relaxing evenings.

The formal dining room offers a warm and inviting space for entertaining, while the heart of the home lies in the expansive open-plan kitchen, dining, and living area. The kitchen is fitted with a range of units, a central island with wine cooler, and integrated Neff appliances including a double oven, microwave, dishwasher, and induction hob.

The adjoining family room features bi-folding doors that open onto the patio, creating a seamless indoor-outdoor flow. A separate utility room provides additional storage and appliance space. A walk-in pantry (formerly a cloakroom) offers further storage and retains plumbing for a WC.

At the rear of the ground floor, a generous games room or gym with dual aspect windows provides a versatile space for recreation or fitness. This room also offers excellent potential for conversion into a self-contained annex (subject to the necessary planning permissions and consents), making it ideal for multi-generational living or guest accommodation.

The galleried landing is bright and spacious, with a built-in laundry cupboard. The principal bedroom includes mirrored wardrobes and a sleek en suite with walk-in shower, LED-lit mirror, and heated towel rail. Off the landing there are three further double bedrooms, two of which benefit from built in wardrobes. The family bathroom is finished to a high standard with a 'P' shaped bath with shower over, vanity unit with LED mirror, and ambient plinth lighting.

The property is approached via a tarmac driveway offering ample parking and turning space, leading to a double garage with electric doors, power, and lighting. The front garden is enclosed by mature hedging with a neat lawn, while wrought iron gates open to a private rear garden-mainly laid to lawn with a large patio area and slate borders planted with flowering shrubs. Outdoor lighting, electric sockets, and a wall tap complete the space.
